Water memory is the purported ability of water to retain a memory of substances previously dissolved in it even after an arbitrary number of serial dilutions. It has been claimed to be a mechanism by which homeopathic remedies work, even though they are diluted to the point that no single molecule of the original substance remains.. Water memory defies conventional scientific understanding of ...

I Am Spock is the second volume of actor and director Leonard Nimoy's autobiography. The book was published in 1995, four years after the release of the last Star Trek motion picture starring the entire original cast, and covers the majority of Nimoy's time with Star Trek in general and Mr. Spock in particular. The book's title was a reference to the first volume of his autobiography, I Am Not ...
