Here's a book about gunsmithing that you can download as a 40MB PDF file. It's Advanced Gunsmithing by W. F. Vicery and it was published in 1940.. It's an old book but I think you may still find it useful and interesting, even if you don't own a gun, because it describes how to use many of the same machine shop tools and techniques that we're still using today.
