Candidates opt for Civil Services not always due to the attraction of salary or perks. Though the private sector may offer better packages, the list of candidates who leave their cushy job to enter public service for a lesser salary is not small. Having said that, please don't conclude that the salary of an IAS officer is too meagre. It's not!

A light-emitting diode (LED) is a semiconductor light source that emits light when current flows through it. Electrons in the semiconductor recombine with electron holes, releasing energy in the form of photons. This effect is called electroluminescence. The color of the light (corresponding to the energy of the photons) is determined by the energy required for electrons to cross the band gap ...
