Incidence. Today, polygyny is more widespread in Africa than in any other continent. Some scholars see the slave trade's impact on the male-to-female sex ratio as a key factor in the emergence and fortification of polygynous practices in regions of Africa. Generally in rural areas with growing populations, the higher the incidence of polygyny, the greater the delay of first marriage for young men.

Divorce, also known as dissolution of marriage, is the process of terminating a marriage or marital union. It usually entails the canceling or reorganizing of the legal duties and responsibilities of marriage, thus dissolving the bonds of matrimony between a married couple under the rule of law of the particular country or state. Divorce laws vary considerably around the world, but in most ...
