A number of criticisms surrounding the Confucius Institutes stem from their relationships with the Chinese government, through the Office of Chinese Language Council International or "Hanban". The Hanban website states that Confucius Institutes and Classrooms are non-profit educational institutions, but they have close ties to several senior Communist Party officials, including the current ...

### **Criticism of Confucius Institutes - Wikipedia**

A religious institute is a type of institute of consecrated life in the Catholic Church where its members take religious vows and lead a life in community with fellow members. Religious institutes are one of the two types of institutes of consecrated life; the other is that of the secular institute, where its members are "living in the world".. Societies of apostolic life resemble religious ...
