It's been just over three months since Tacx announced what was shaping up to be the hottest trainer of the 2016-2017 winter season. You'll remember that the main appeal of the Tacx Flux was that not only was it a direct drive trainer (wheel-off), but it would also be resistance controllable, fully compatible with apps like Zwift and TrainerRoad.

Spam protection tools and anti-spam services. ... A limitation of the previous approach is that it relies on a valid and complete program: given an appropriate tool, it can be executed and reveal your email address. We can resolve this by making the program computationally incomplete with regards to the information we are trying to hide. The program now does not contain your full email address ...
